AGROUND IN BOAT, FROM DRIZE RING TO HARVARD How I fought My Way from the Lumber Camp to A College Degree

FREDERICK R. (KID) WEDGE

Copyright, 1922, (New York Evening World) | night, when I received a letter from by Press Publishing Co. | Miss Trace. It read. Proper sympathetic guidance

is essential to the success of the student who begins late in life the struggle for an education. It means steering clear from many pitfalls. On his route from the lumber camps to college and through a high school principalship to the Graduate School of Harvard University, "Kid" Wedge had many opportunities

to take the wrong route. The old doctor who undertook to prepare the young pugilist for a college course appears to have felt all the sympathy that a simtlar experience of his own could

arouse. Wedge to-day tells of the progress he made on the first lap of

the journey toward an education. CHAPTER VI. THE FIGHTER BEGINS HIS BAT TLE FOR AN EDUCATION. Wedge.

TRIED to understand all that Miss Tracy had said to me. One thing kept ringing in my head: "I know you will win the battle for an

education." I was giad I had not asked Miss Tracy if I could visit her again. I realized that in her world there was no place for me, a lumberjack and a prizefighter. Her people were not my people and the distance between her world and my world was too great for A short time later they were sight- me to even think of spanning. But It was reward enough for me that I ed by the police launch. The two I said to myself, "I can make her might have her approval. I knew that CONSUL IS TOLD patrolmen, approaching as close as proud that she spoke to me, and I she was engaged to a splendid man, will. How am I to start? I wish I one who had lived a clean, manly life possible, handed Black and Weir each had asked her but I will never call and who understood her world. Mins Tracy. It read:

My Dear Friend: Your old tutor has just written me that you have eclipsed his greatest expectations. He said you have taken your studies as though you were training for the battle of your life. The doctor goes on to say: "No prebtem in mathematics discouraged him after he had gained the fundamental conception of the science. In languages, he seems to be a natural linguist. He has an ability to remember facts of history and civics and causes and effects that furnishes new surprises for his tutor every day Mr. Wedge's mind, although untrained as far as books are concerned, seemed to be just hungry

for facts, and able to absorb, retain and use any new thought. "There is only one thing in which he does not obey his tutor -the hours of study-no one knows when he sleeps. His study lamp is always burning when the last person in the house has retired, and he is up in the morning taking his long walk and back be-

fore the housemaid begins her morning work. "He tells me he would like to be able to enter the university in

"He never mentions your name, does he say anything about his future plans. He seems to be happy that his life's programme is in accordance with your belief that

he will some day be an educated May I say if in any small way I have been a help to you, please remember that your battle has also been an inspiration to me.

Your friend, PRUDENCE TRACY. It was reward enough for me that

Later I received another letter from she believed I would win and I will Miss Tracy. The Chicago Company's performance of "I Pagliacci" was a bit uncertain because of the sudden indisposition of Mme. Claire Dux, who was scheduled to sing Nedda. Miss Margery Maxwell took her place on short notice, and, outside of the flower song, got along acceptably. Ulysses Lappas and Georges Baklanoff were the other principals.

The opera was followed by Mr. Car—

THE STORY THUS FAR. hienriette Girard and her foster sister Louise are separated at the gates of Paris. Henriette is kidnapped by the pander of a nobleman, but is rescued by Chevalier de Vaudrey, who falls in love with her. Louise, a blind girt, saved from the Seine by Pierre Frochard, is taken to his mother's den and is made to sing in the streets by Mother Prochard and her other son Jacques. De Vaudrey, refusing a marriage planned by Count de Linieres, who married his aunt, is sent to prison and so is Henriette. Countess de Linieres discovers that Louise is her child town from her lefters and so the sent to prison and so is Henriette. child, taken from her in infancy, and confesses a provious marriage to her hus-

Meantime, the Revolution sends Henriette and de Vaudrey before the Tribunal of Justice. They are condemned by Jacques Forget-Not and Robespierre to death by guillotine. Danton, whom Henriette befriended, makes a plea for their lives and they are spared but the tumbrils are on their way to the place of execution.

Dunton starts on a race with Destin.

CHAPTER XVL. REPRIEVE OR AGONY. HE man, Forget-Not, directly the paper was signed, rushed past the speaker and out of the hall into the lobbles-

some trickery or other that Danton sensed. He could not stop the Judge, but ne pounced on the messenger and Henriette looks up with gaping r
